Crane's Landing at Marriott Lincolnshire Resort

how we help...

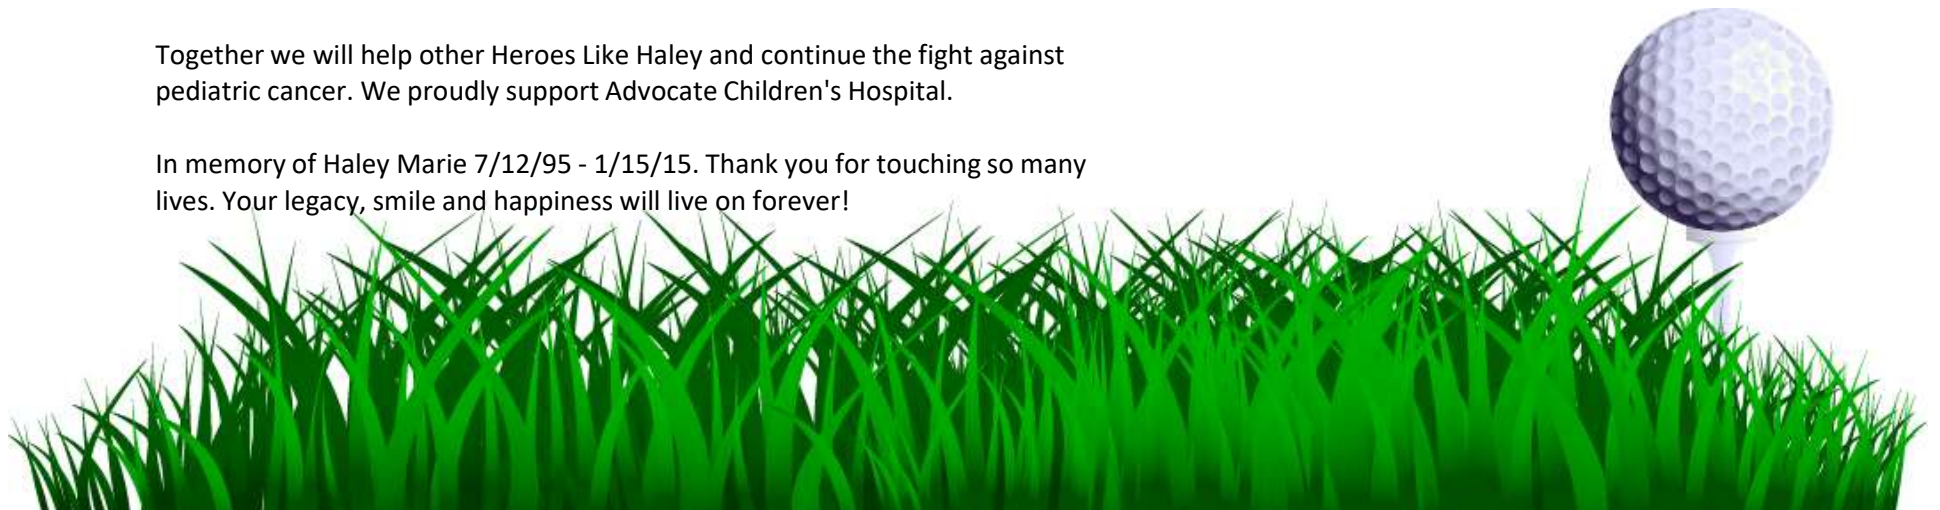

We all have seen how cancer impacts the physical and emotional health of those afflicted. It takes an incredible amount of energy and courage to battle this terrible disease, which leaves the patient and their loved ones drained and unable to perform day to day activities like working, grocery shopping, etc. Unfortunately, the burden does not end there. Cancer treatment and diagnostic technology is continually improving, but with this improvement comes rising costs. Cancer costs are expected to rise over 25% between 2010 and 2020 and every cancer patient and their families will feel the affect.

Our overall goal is to lessen the financial strain on individuals who are embarking on the courageous battle against this terrible disease. Haley's strength never wavered in her fight and we hope to equip others with the financial means to focus solely on the task of kicking cancer's butt!

Founded in 2015, Heroes Like Haley is an Illinois based 501(c)(3) charitable organization. Our Board of Directors is dedicated to providing financial support and improving the quality of life for local pediatric cancer patients, survivors and families. Raising community awareness towards pediatric cancer and implementing college scholarships for Cary Grove High School students

Together we will help other Heroes Like Haley and continue the fight against pediatric cancer. We proudly support Advocate Children's Hospital.

In memory of Haley Marie 7/12/95 - 1/15/15. Thank you for touching so many lives. Your legacy, smile and happiness will live on forever!
